# KÆRE MEDLEM

Her mod slutningen af 2021, vil jeg gerne benytte lejligheden til at sige tak for alle de gode stunder vi har nydt i hinandens selskab. Heldigvis fik vi mulighed for at mødes på såvel Casual Days som på den meget varme Festival i juni. Vi håber at 2022 bliver året hvor det hele bliver mere normalt igen.

I hånden har du nu et lille Outturn med 6 spændende aftapninger – og skulle du have lyst til en lille nytårskur, så vil Terje og jeg smage på dem lørdag den 8. januar kl. 14.00. Vi streamer på kanalen, og du kan allerede nu købe et sæt af de 6 på smws.dk, såfremt du skulle have lyst til at smage med.

Alle bestillinger i webshoppen bliver sendt herfra mandag den 3. januar 2022.

Normalt ville jeg her skrive en masse om den kommende Festival, og mange skriver da også til mig og spørger til hvad jeg tror. I skrivende stund står restriktionerne til at udløbe den 17. januar, og det betyder som udgangspunkt at Festivalen stadig kører planmæssigt. Skulle restriktionerne gå hen og blive forlænget står vi i en ny situation, og så må vi forholde os til det til den tid. Vi aflyser den under ingen omstændigheder, men vil i å fald finde en ny dato at flytte den til. Vi må se hvad der sker...

Med hensyn til Casual Days i foråret 2022, så arbejder vi stadig på at få dem på plads alle steder. Vi arbejder på at lave en omgang i de sidste 2 uger af marts (frem til lørdag den 2. april), samt en omgang i juni inden sommerferien. Mere følger snarest muligt.

Skulle der være nogen spørgsmål, er I altid velkommen til at kontakte mig.

Med disse ord ønskes i alle et rigtigt godt nytår, og på gensyn i det nye. I første omgang en virtuel af slagsen, den 8. januar.

Med venlig hilsen  
Thomas Korsgaard

We were all bowled over by the lovely, fresh, sweet, intense, yet delicate fruity scent which reminded us of fruit-flavoured candies called, aptly, Skittles as well as lime and orange flavoured Tic-Tacs. Excellent texture with flavours of Earl Grey flavoured petit-beurre biscuits, mango and pineapple sorbet with a lime flower ginseng tea and toasted hazelnut chocolate paste. Be extra careful with water as we all agreed the aroma lost a bit of intensity and moved towards that of long grass on a summer's day, hay and dried flowers while the taste still with plenty of creamy tropical fruits as found in a Piña colada or in a Key lime pie.

The nose delivered an initial blast of foamy shrimps, lemon Turkish delight and mandarin gateau – then wafts of church incense and a well-worn leather jacket imbued with cologne and cigarette smoke hanging in an antique wardrobe. The palate had raspberry jam pips, citrus fruit punch, neroli oil and cinnamon-dusted sweets; soy sauce, wasabi and tobacco warmed the finish. The reduced nose combined chocolate Hobnobs and coconut snowballs with sauna wood and apples and pears in a hay barn. The palate cheered us with limoncello, apple snow and sliced pear over deeper notes of cigar box, ginger wine, oak shavings and cinnamon.

The initial nose was sweet – marzipan, orange fondant, barley sugars and iced buns – we also found peppercorns and aniseed balls, parquet flooring, polished saddles and tobacco leaf. The neat palate was sweet and fruity with some light spice – orange and lemon hard-boiled sweets, Old English spangles, watermelon, amaretti biscuits and spiced honey; white pepper and chilli to finish. The reduced nose discovered macerated cherries, apricots and fruity white wine, hyacinths and honey on a sunny oak table. The palate paraded tangy citrus, pineapple humps, apple juice and sour cherries; to finish, deeper currents of Sobranie cigarettes, nutmeg, leather and oak.

# ISLAY CROFT KITCHEN DRAM

The nose evoked an Islay croft; wood-burning range cooker, leather brogues warming in front, bacon cooking on top, chocolate chip cookies for afters. The palate offered toffee sweetness, incense smoke (sandalwood, patchouli) charred wood and a kick of Jalapenos and Cholula hot sauce. The reduced nose had stewed fruits, raisins, Demerara and treacle, burnt twigs dipped in honey and venison pie straight from the croft oven. The palate now found spiced chai, ginger snaps and rum baba then pipe tobacco and a hint of ashtray to finish. After ten years in ex-bourbon wood we transferred this into a heavy-toast, medium-char second-fill hogshead.

A first we found a marriage of foamy banana sweets and pear drops. This then yielded to sweet coconut cake, American cream soda, vanilla custard tarts and orchard fruits glazed in honey. Luscious, sweet and enticing. Reduction brought marshmallow, juniper, crushed nettled, fir wood, lychee and candied grapefruit peel. The neat palate was pleasingly simple with condensed milk, banoffee pie and firmer notes of white pepper, spiced mead and pumpkinseed oil. With water we found mango juice, heather flowers, wild gorse, rose petals, dried papaya, lime cordial and fennel seed.

Briny, mineralic pebble beach notes surfaced on the nose, then smouldering leaves and cigarette smoke on a film star's perfumed faux fur. Eventually we found pinecones, salted nuts and sugar-coated fennel seeds. The palate had a burst of dry oak and chilli heat, followed by dark honey, tangy orange, vanilla, liquorice and figs soaked in sherry – one panellist remembered eating Jammy Dodgers round smoker's corner at school. The reduced nose introduced seaside paddling pools, Lapsang Souchong, smoky bacon and singed pumpkin lanterns. We combined selected 17-year-old casks from this distillery, before returning the single malt into a variety of different casks to develop further; this is one of those casks.
